Do More

[Start your own fundraising campaign](#)

One of the **major** ways Calcutta Kids receives donations is through dedicated supporters doing fundraisers for birthday parties, graduations, retirement parties, or other events. Our new platform makes this process very easy.

1. Visit calcuttakids.org and click on “Manage my donor account” (under “How you can help”)
2. Login. If you have not yet created a login, all you need is your email.
3. Select “Start a campaign” (on the right side of the page)
4. Fill in the Campaign Details with:
 - a. Full campaign name (such as “John’s Graduation” or “Jenna’s Retirement Party”);
 - b. Short campaign name (such as JohnGraduation, or JennaRetire);
 - c. For “Project”, select one of three Calcutta Kids projects
 - d. Set a target number of donations (this is your goal and can be exceeded without any problem);
 - e. Set an expiration date (entirely up to you).
 - f. If there is any other information you would like to add (description, link to video, etc.) you can do so.
5. Once the form is complete, select “Create Campaign”
6. Promote your campaign by clicking on “Email Family and Friends”, posting the link on Facebook, or through other social media sites.
7. If the campaign is for a party, you can send the link out with the invitation and have the website available for donations during the event.
8. Monitor your campaign:
 - a. Visit calcuttakids.org and click “Manage my donor account” (under “How you can help”)
 - b. Click on “Campaigns”

If you have any problems or concerns using this platform, please email info@calcuttakids.org

Our Projects

- Donate to the Calcutta Kids General Fund: all gifts will go directly to our Maternal & Young Child Health Initiative and Diarrhea Treatment Center, providing critical funds to allow for the day-to-day health services for women and children in Fakir Bagan (this is where all donations have been sent in the past through Paypal).
- Save a Child from Diarrhea in India: all gifts will go to providing safe Oral Rehydration Solution to needy children with diarrhea
- Adopt a Mother in India: all gifts will go to the health care of a pregnant woman through her pregnancy and the early life of her newborn. You will receive two letters about the sponsored woman and child, along with photographs

Benefits to Using the Online Donor System
